

Aerodynamics of Heavy Vehicles III
Potsdam, Germany
September 12-17, 2010

Dear speaker/author,

Thank you for presenting a paper at the conference in Potsdam.

As after the last two conferences of this series (2002, 2007) the contributions will be published in a book to appear in the series "Lecture Notes in Applied and Computational Mechanics" of Springer. For this purpose all authors are requested to prepare a manuscript.

Instructions for authors are found via <http://www.springer.com/series/4623>

Please prepare your paper in LaTeX or Word and send a pdf file to me (hp.kreplin@dlr.de). The source files are required at a later stage (after review and acceptance of the manuscript).

The length of the manuscripts is limited to 16 pages.

Please send your manuscript (PDF) to hp.kreplin@dlr.de no later than 31. October. 2010.

See you in Potsdam,
best regards,

H.-P. Kreplin
Assistant to Prof. A. Dillmann, Conference Chair
