

Metabolic Engineering VIII: Metabolic Engineering for Green Growth

June 13-17, 2010

Jeju Island, South Korea

The 2010 Young Metabolic Engineer Award

Stefanie Kind (Technical University Braunschweig)

The 2010 Metabolic Engineering Best Poster Awards

Byung-Kwan Cho (University of California, San Diego)

Cong T. Trinh (University of California, Berkeley)

Jungik Choi (University of Delaware)

Eric J. Steen (University of California, Berkeley)

Wiley Biotechnology Journal Best Poster Award on Metabolic Engineering

Alyssa M. Redding Johanson (Joint Bioenergy Institute)

Wiley Biotechnology and Bioengineering Best Poster Award on Metabolic Engineering

Pratish Gawand (University of Toronto)

Nature Chemical Biology Best Poster Award on Metabolic Engineering

Scott Crown (University of Delaware)

Elsevier Metabolic Engineering Best Poster Award on Metabolic Engineering

Isabelle Meynial-Salles (LISBP, INSA)
