

Guidelines for the 2018 Cell Culture Engineering Award

NOMINATION DEADLINE: January 15, 2018

PURPOSE

The Cell Culture Engineering (CCE) Award recognizes an outstanding contributor to the field of Cell Culture Technology & Engineering. Past recipients include Wei-Shou Hu, Terry Papoutsakis, Rob Arathoon, Martin Fussenegger, Michael Betenbaugh, Jamie Piret, Jeffrey Chalmers and Konstantin Konstantinov.

The award nominations will be judged according to criteria as set forth in this document.

AWARD

For each conference, an award of cash and a commemorative plaque will be presented to the recipient at the conference. Engineering Conferences International (ECI) sponsors this award.

ELIGIBILITY

This Award is open to all researchers in the cell culture field. The award recipient is expected to register and attend the conference.

EVALUATION

A committee established by ECI will evaluate the nominations and make the final decision.

CRITERIA

The committee will judge the nominations on the originality and overall quality of work, significance to the advancement of the field of Cell Culture Engineering, and other supporting information in the nomination package.

NOMINATION PACKAGE (all documents should have 1 inch margins all around and use font no smaller than Arial 10 or Times 12 point)

The nomination package must consist of the following items:

- 1) A nomination cover sheet;
- 2) A nomination letter of no more than 3 pages including a description of the nominee's contribution to the field of cell culture engineering;
- 3) A resume including publications by the nominee (*preferably fewer than 10 pages*); and,
- 4) A maximum of three supporting letters from individuals in the field

The nomination cover sheet should contain the following information *if not already included in resume*:

- 1) Name of nominee
- 2) Present position (exact title)
- 3) Mailing address (including telephone and email)
- 4) Education
 - a) Institution
 - b) Degree received and year of each degree
 - d) Major or field
- 5) Positions held
 - a) Company or institution
 - b) Position or title
 - c) Time period
- 6) Academic and professional honors and awards
- 7) Technical and professional society memberships and offices held
- 8) Nominator's name and address (including telephone and email)
- 9) Nominator's signature and date

Please submit the complete nomination package (including scanned, signed letters of support) in an electronic form as a single pdf file with the name of the nominee,

Nomination packages are due by midnight EST January 15, 2018 to:

Prof. Michael Betenbaugh, Chair of CCE Award Committee
Department of Chemical and Biomolecular Engineering
Johns Hopkins University
222 Maryland Hall
Baltimore, MD 21218 USA
