

# **Microbial Engineering**

**An Engineering Conferences International Conference**

## **Outstanding Poster Award - Academic**

**Maria Villegas-Torres**  
Icesi University, Colombia

**"Methodology to rapidly assess enzyme cascades in aid of metabolic engineering of host cells"**

## **Outstanding Poster Award - Industry**

**Ning Li**  
Synlogic Inc., USA

**"Genetically engineered probiotic *E. coli* Nissle to consume amino acids associated with orphan metabolic diseases"**

## **Outstanding Poster Award - Student**

**Joseph R. Brady**  
Massachusetts Institute of Technology, USA

**"Identifying the best *Pichia pastoris* base strain using functional genomics"**

March 4-8, 2018 - Santa Fe, New Mexico, USA
