Composites at Lake Louise 2015

Canadian Pacific
John MacDonalD Award
for Paradigm-Shifting Transformational Technologies

GEOFFREY BEACH

www.engconfintl.org

Château Lake Louise, Alberta
11 November 2015

Conference Chair

Engineering Conferences International
Composites at Lake Louise 2015

frigid fingers Award
for Braving the Arctic Rigours of the Sun Room

CORINNE PACKARD

www.engconfintl.org

Château Lake Louise, Alberta
11 November 2015

Conference Chair

Engineering Conferences International
Composites at Lake Louise 2015

Princess Louise Caroline Alberta Award

(who never made it to her namesake lake)

for Conferee (again) attending most CALL Meetings

NOBUHITO IMANAKA

www.engconfintl.org

Château Lake Louise, Alberta

11 November 2015

Conference Chair

Engineering Conferences International
Composites at Lake Louise 2015

Nippon Oji-san Understudy Award
*for conjuring up a substitute Plenary Presentation
at a moment's Notice to save the day*

NOBUHITO IMANAKA

www.engconfintl.org

Château Lake Louise, Alberta

11 November 2015

Conference Chair

Engineering Conferences International
Composites at Lake Louise 2015

Planters «Prix Cacahouète»
for successful battle with an unrelenting legume

JAMES ADAIR

www.engconfintl.org

Château Lake Louise, Alberta

11 November 2015

Conference Chair

Engineering Conferences International
Composites at Lake Louise 2015

Silica-Ball Kewpie Doll Award
for nanoballistic skills befitting a Texan tenderfoot

NED THOMAS

www.engconfintl.org

Château Lake Louise, Alberta
11 November 2015

Conference Chair

Engineering Conferences International
Composites at Lake Louise 2015

Peter, Paul & Mary Hammer Award
for reminding us that each nail has its own agenda

JOHN NYCHKA

www.engconfintl.org

Château Lake Louise, Alberta

11 November 2015

Conference Chair

Engineering Conferences International
Composites at Lake Louise 2015

T. N. Gill Electrophorus Electricus Award
*for the Most Electrifying Presentation & Most Novel
Biomimetic Solution to the Energy Conundrum*

ERIK SPOERKE

www.engconfintl.org

Château Lake Louise, Alberta
11 November 2015

Conference Chair

Engineering Conferences International
Composites at Lake Louise 2015

Ministre de Ressources Naturelles du Canada

«Smokey's Ours» Award

for Innovative Design of Fire-Safe Composites

MAUDE JIMENEZ

www.engconfintl.org

Château Lake Louise, Alberta

11 November 2015

Conference Chair

Engineering Conferences International
Composites at Lake Louise 2015

fraternal Order of Truck Towers Award
*for so graphically illustrating the profound Folly of
Repeating Failed Solutions*

JEFF KARP

www.engconfintl.org

Château Lake Louise, Alberta
11 November 2015

Conference Chair

Engineering Conferences International
Composites at Lake Louise 2015

The Saskatchewan
Maize Maze Award

*for guiding us faultlessly through the intricate
landscape of self-assembly nanoprint lithography*

JAMES WATKINS

Château Lake Louise, Alberta
11 November 2015

Conference Chair

Engineering Conferences International

Composites at Lake Louise 2015

Lake Louise flash Drive Award

*for once again Faithfully Preserving the Corporate Memory
of this Conference Series*

ENA NICHOLSON

Château Lake Louise, Alberta

11 November 2015

Conference Chair
